Looking for a worthwhile

Here's an "insider" tip for you!

The stock market may continue to be volatile, but here is a rock-steady investment: Help sponsor a youth on one of the Summer 2010 mission trips!

NOTE: For every \$100 stock, both the buyer and the seller get the chance to be picked to choose Mary's hair color for one of the trips. Colors in the past have been, Deep Purple/Burgundy, Green, Pink, and Orange.

NEW THIS YEAR! After all the youth have met their quota for individual stock sales, there is an effort to cut Mary's hair. Therefore, if **one person** raises:

\$1,000 Mary's hair will be 6" long,

\$2,000 then 5" \$3,000 then 4"

\$4,000, then 3" \$5,000 then 2"

\$6,000 then 1"... and if \$7,000 shaved.

Remember this is after everyone meets their individual quotas.

Please complete the information at right and return this form with your check. Please write the youth stock "seller's" name on the memo line. Your canceled check is your receipt, and your donation is fully tax deductible.
