Let your church family know about your business or talents – and thereby build your business. Whether you are an adult advertising your established business or a youth who would like to advertise babysitting, tutoring, yard work, or other services, this NUMC business directory will give us all a place to turn for trusted help. Just complete the form below to be included in NUMC business directory.

**NOTE:** Parental signature is required for youth business listings, and no youth listings will be included on the web site. But we encourage adult members to circle “yes” for linking your business web address to the NUMC website!
